Jesus the High Priest

Therefore, since we have a great high priest who has ascended into heaven, Jesus the Son of God, let us hold firmly to the faith we profess. -Hebrews 4:14

1)

Jesus, the Son of God, is the perfect revealer of God's glory and pioneer of great salvation; He is absolutely superior to any person, or any thing of the world.

2)

Jesus, the Son of Man, went through humility, suffering and death into glory. As the great High Priest, Jesus offered his innocent blood as the atoning sacrifice once and for all.

3)

Jesus brought us sinners into a new covenant relationship with God. We are therefore called to endure hardship and live by faith, "fixing our eyes on Jesus," knowing that God will be faithful to the end.

A close-up photograph of a pair of hands, likely belonging to an older person, gently cupping a lit candle. The candle is the central focus, with a bright flame and a warm, yellowish glow that illuminates the hands and the surrounding area. The background is dark, making the light from the candle stand out. The hands are positioned on either side of the candle, with fingers slightly curled as if to protect or support it. The overall mood is one of care, hope, and spiritual light.

Reviews

Book Reports by JBF

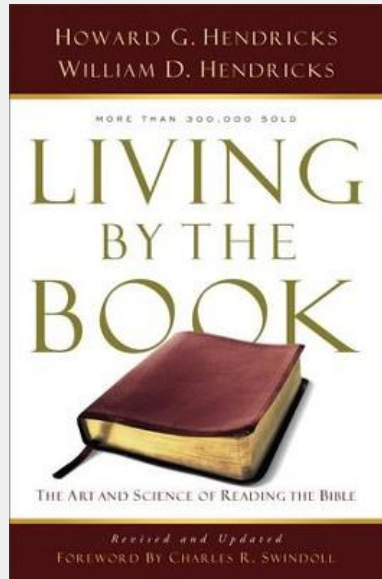

Isaac and Margaret will be sharing their book reports on the books "Who is Jesus?" and "What is the Gospel?" respectively. The book "Who is Jesus?" is an effort to present in an organized way a holistic view of Jesus as a man, as God, as the Savior, and much more. "What is the Gospel?" exposes common incorrect and simplistic beliefs while exploring the depth of what the Gospel means. These later books are part of a series of resources published by 9Marks, a ministry that helps churches equip themselves to grow healthy by tackling the most basic yet fundamentals of the Christian belief and life.

“Life Together” by Grace Kim

Grace will be sharing her book report on the books "Life Together," written by the German theologian Dietrich Bonhoeffer, explores the true meaning and practical implications of what Christian fellowship is.

“Living By the Book” by RURP

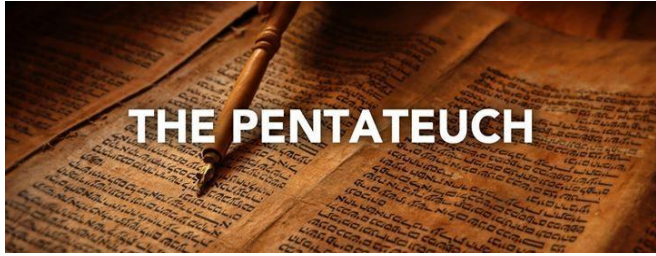

We divided this lecture into 3 parts:

Part 1. Observation prepared by M. Peter Kim.

Part 2. Interpretation by Yeram Kang

Part 3. Application by Faith Kim

Closely analyzing each part of the book, we want to find out answers to these questions: Why do we prepare Bible Study material? Why do we write a testimony? Why do we share testimonies? These are the UBF disciplines in particular; we want to find how important it is for us to practice them in studying the Word of God more thoroughly. We pray continually to study the Bible utilizing the IBS method and grow to be excellent Bible teachers.

THE PENTATEUCH

The Five Books of Moses: Genesis, Exodus, Leviticus, Numbers, Deuteronomy are to be presented by RURP, Abe Kim, Sarah Kim, Sera Lee, Faith Kim, and Grace Kim in order.

GLEF aims that our next gens would be well prepared to teach the bible as a bible expert and scholar. The Pentateuch study may help them know God's redemptive history among his people, broaden their knowledge, and eventually deepen their personal relationship with God by accepting His covenant as their own and receive the greatest blessing, the identity as God's treasured possession, Kingdom of priests and a holy nation.

In the 5 books of Moses we learn from the work of God's creation, the origin of sin, God's covenant to his people, and great faith of patriarch's, to His faithful leading the chosen people to the promised land by giving them the law. We can learn how God trained His people to be His holy ones, preserved His everlasting promise through them. This eventually guides us through to the coming of Jesus as His ultimate way back to Paradise he's once perfectly made.

9 Step Bible Study

Prepared by Mothers of Prayer:

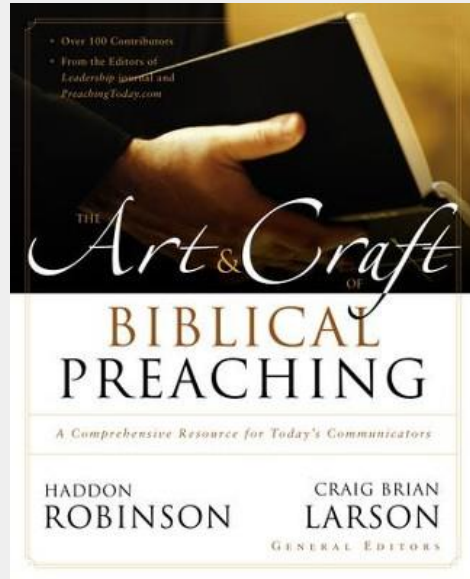

The 9 step bible study is consist of 9 bible passages collected topically to glimpse on how Jesus is the answer to our lives:

First, John's gospel chapter 2 about Jesus at the Wedding in Cana, Galilee, transforming a foot washing water into a choice wine; from the same gospel chapter 3 about Nicodemus' seeking the kingdom of God; The third, again from John chapter 4 about Jesus meeting a Samaritan woman by a well as the one who provides living water. Then the fourth one moves on to Genesis chapter 1 about the beginning of the world; how God the Creator made the universe with His powerful words so perfectly. Then chapter 2 about God establishing a family of men and the last from Genesis chapter 3 about the origin of gruesome sin that brought death into the world. After that in Mark's gospel 2, how we can solve our sin problem, which is through Jesus who proclaimed "your sins are forgiven. Then last of all, we go back to John's gospel chapter 8. In Jesus, we find truth that sets us free eternally from the bondage of sin and free to receive God's kingdom. I pray all of you receive much grace from these presentations. You'd be surprised by all our mothers of prayer: how devoted they are not only to support their family and our ministry most practically but also spiritually with God's amazing Words. May God bless our campus mission!

“The Art and Craft of Biblical Preaching”

Special Lectures prepared by Fathers of Faith: M. Matthew J. Kim, M. Matthew S. Kim, and M. Abraham Lee:

The purpose of having a special lecture on BIBLICAL PREACHING is to prepare men servants for being good messengers. We can learn from the famous pastors' and preachers' experiences and knowledges about how to prepare a message, how to structure a script, and how to deliver it in the most effective way. We pray our men missionaries may be benefited from the lecture preparation. May God raise them as excellent Bible speakers who can raise up powerful disciples among campus students!
